Hi David and Melinda,

We need to re-schedule our BID renewal meeting for next week, really sorry.

Other dates that work for us, are next Friday 7/22 and the following Monday 7/25.
Any time on those dates work.

My guess is that the meeting will not go beyond 30 minutes.

Thanks,
Aaron

Aaron - In anticipation of our upcoming meeting, can you provide the information that Brian requested below? I don't need immediately, just before the meeting.

Prior to the meeting can you let Laurie and I know the total university contribution to the BID on an annual basis and provide any background on renewal and these "proposed changes"?

Thx

Brian

That should work. Hopefully it doesn't go that long.
